Round Lake Area Exchange Clubs Programs of Service

1. The Americanism Program of Service promotes pride in our country, appreciation for the freedoms granted to American citizens, and gratitude to the men and women who serve/have served in the Armed Forces. Americanism celebrates the country's rich, unique heritage and inspires unity from coast-to-coast.
2. Community service is the lifeline of Exchange, with local-level clubs devoting countless hours and dollars to serving their neighbors every year. Community Service is the Program of Service that most allows clubs to identify opportunities within their communities and offer assistance to fill gaps in services. Since the first group of Exchange Club members convened, Exchange has set the bar high for community service involvement!
3. America's young people are its most precious resource. For many years, Exchange Clubs and National Headquarters have sponsored an impressive selection of activities designed to benefit and encourage our nation's youth. Through college scholarships, mentoring and guidance, and service recognition, Exchange is making a difference for America's youngest generations.
4. Child abuse prevention became Exchange's National Project in 1979, at the 61st National Exchange Club Convention. To uphold its National Project, Exchange provides a variety of public awareness materials designed to help inform and increase awareness of child abuse and how it can be prevented. Such projects are implemented through Exchange Clubs and Exchange Club Child Abuse Prevention (CAP) Centers across the country. Through the scholarly-reviewed Exchange Parent Aide home visitation model, child abuse prevention experts work directly with at-risk families. Exchange was the winner of a Presidential Award from the White House Office of Private Sector Initiatives, is a charter member of The National Child Abuse Coalition, and is a Partner in Prevention with the Children's Bureau, Administration for Children and Families, U.S. Department of Health and Human Services.
